## TESTING PANELS

Specialized groupings of tests that rely on the results of one another

Service	Description	Time	Price
<b>(5 Element) Salivary Endocrine Panel</b>	This 11-part test employs cutting edge technology combined with the ancient wisdom of Chinese medicine to optimize your body's healthy functioning. Results correlate directly to the Circadian Endocrine Profile of Chinese medicine. Analysis determines metabolic imbalances, grain sensitivities, stress levels and hormone imbalances as underlying causes of chronic degenerative disease. This is a simple, non-invasive procedure that can be done in the privacy of your own home. Includes a complementary consult with a physician. A simple add-on for food sensitivities and parasites available if needed. Included in hCG Hormone Balancing Package.	Basic  Advanced	Insurance  \$575  \$675
<b>Comprehensive Urine Profile</b>	An 8 part dip stick home test that provides a chemical analysis of important metabolic functions including neurotransmitters, energy production, metabolism and detoxification to individualize treatment. Included as part of the Brain & Metabolic Balancing Program.		Insurance  \$670
<b>Medical Baseline Panel #1</b>	Includes the following tests: <ul style="list-style-type: none"> <li>▪ CardioBeam Assessment</li> <li>▪ Hemoglobin A1c</li> <li>▪ Fasting Cholesterol/Glucose</li> <li>▪ Bone density ultrasound</li> </ul>	60 min	\$125
